## MULTI-VITAMIN COMPLEX. DETOXIFICATION - MOULTING

**INGREDIENTS PER Kg:** Vit. B1 150 mg - Vit. B2 180 mg - Vit B6 150 mg - Vit B7 270 mg – Vit B12 2300 mcg - Vit. C 4000 mg - Vit. H 25 mg - Choline Chloride 30 000 mg - Iron (epta-hydrate Sulphate) 200 mg - Copper (Penta-hydrate sulphate) 50 mg - Zinc (Mono-hydrate Sulphate) 1000 mg - Manganese (Sulphate) 40 mg - Iodine (Potassium Iodide) 40 mg - Cobalt (Sulphate) 25 mg – Base ingredient for 1000 g including DL-Metionine 4000 mg - L-Lisine 2000 mg - Hydrolysed protein base providing on average Lisine 1500 mg – Tryptophane 450 mg - Istidine 200 mg - Phenilalanine 960 mg - Leucine 1150 mg - Isoleucine 460 mg - Treonine - 600 mg - Valine 980 mg - Argininea 2850 mg - Glycine 9500 mg - Alanine 3600 mg - Serine 1050 mg - Cystine 20 mg - Tirosine 200 mg – Aspartic Acid 2250 mg - Glutamic Acid 4100 mg – Proline 4800 mg.

**INDICATIONS:** recommended during moulting and to rebalance the diet in all types of birds.

**DOSAGE:** 10 grams to every litre of water or 20 grams to every Kg of feed. Given for 10 days in the case of intoxication and feeding balance problems (red bellies); for 7 days running at the beginning of the moulting period, the for 2 days per weeks during the moulting period. For 5 days running before and after shows.

**USEFUL ADVICE:** this is a complete and innovative vitamin complex, as it contains vitamins, Amino acids and Oligo-elements. Excellent for stress and moulting, very useful when the birds have swollen or red bellies. The water soluble powder means that its ingredients are conserved better.

**N.B.:** for greater efficiency the product should be given together with MUTASTRESS in the food and TISANA in the water.

Water-soluble powder - Pot 250 g
