

•NATURBIOTIC SPECIAL

HEALTH AND WELLNESS

CHARACTERISTICS: BIO-FLAVONOIDS, contained in grapefruit seeds, have demonstrated to act against numerous bacteria e fungi; in particular they have demonstrated effectiveness against **Enteric Colibacillosis, Salmonellosis, Mega-bacteriosis and Candidiosis**, which are the most frequent causes of death in chicks. BIO-FLAVONOIDS are to be considered the **ideal antimicrobial** as they have a wide spectrum of action, do not depress the immune system, do not interfere with fertility and do not

present side effects.

LACTOBACILLUS are optimum PROBIOTICS as they colonize the digestive apparatus and help the organism to fight pathogenic bowel flora.

ECHINACEA stimulates the defences of the organism against illness.

ESSENTIAL OILS (Thyme, Cinnamon, and Eucalyptus) have an antimicrobial effect and strengthen the effects of Bio-flavonoids.

NATURBIOTIC SPECIAL contains BIO-FLAVONOIDS, 7 strains of LACTOBACILLUS, ECHINACEA extract, ESSENTIAL OILS of Thyme, Cinnamon and Eucalyptus and represents the ideal choice for bird wellness.
