BIANCOFIORE

**NO COLOURINGS,
WITH HONEY, SILIMARINE AND PREBIOTICS**

BIANCOFIORE is a soft egg-food without colourings, with honey 8% and no egg, as it could bring undesirable colours. Contains OLIGISACCARIDES for better bowel flora adjustment, BETA-GLUCANS to stimulate the immune system, PROTECTED VITAMINS, METHONINE and LYSINE and SILIMARINE, well known for liver protection and regeneration properties.
